

Phyllis Anne Foro

Automotive Consultant

Career Summary

Phyllis is an international speaker, facilitator, trainer, and consultant to Fortune 500 companies. She provides innovative facilitation to help businesses improve both employee and customer enthusiasm—which transforms directly and measurably into greater profitability. Her fast-paced workshops and satellite training have provided valuable improvements in the corporate world. As a guest facilitator with the Disney Institute, Phyllis brings inventive, creative and leading-edge techniques to help participants achieve their goals, build long term relationships and improve profitability.
